Welcome to Cambridge - Living in Cambridge

Cambridge is home to one of the world's greatest universities

In 2009 Cambridge celebrated 800 years as one of the world's most renowned centres for learning throughout the world.

It is an ideal place for students, with a busy social and cultural life, designed around young people. With a population of 100,000 residents, and 20,000 university students, it is small enough to be relaxed and friendly and big enough to ensure you will never be bored.

It is a wonderful place to be, whichever time of the year you come, and London is just 100 kilometres away – only 45 minutes by train.

Why Studio Cambridge?

We are one of the longest-established English language schools in Britain.

We have been part of Cambridge's educational scene for 56 years and we are well known and respected in the Cambridge community.

Our size is also important. We typically have some 200 – 250 students taking the Intensive English courses at any one time. This is an ideal size because it allows us to provide:

- Classes at the appropriate level
- The opportunity to meet people from many different countries – more than 80 nationalities in a year
- A full range of social, cultural and sports activities
- Our personal attention

We offer two locations:

During the academic year (September to June)

Classes are held at our main school, at Salisbury Villas, Station Road. We are just 10 minutes' walk from the centre of town and 400 metres from the main train station, with frequent service to London and other parts of the UK.

Our school, in impressive 19th century buildings, has:

- 22 classrooms
- Learning Centre (with library, computers, multimedia facilities)
- Free Internet access and e-mail
- WIFI (Wireless Internet)
- Studio Café
- Garden
- Activities Office
- Customer Services Office, for accommodation and welfare

Our main school

Hills Road Sixth Form College

During the summer (July and August)

Classes are held at the renowned Hills Road Sixth Form College (HRSFC). This is one of the most respected schools in Cambridge. It was the first college in the UK to be awarded "outstanding status" by government inspectors.

HRSFC is just 10 minutes' walk from our main school and has excellent, modern facilities. These include:

- 18 classrooms
- Computer suites with free Internet access and e-mail
- Cafeteria
- Garden
- Activities Office

Accommodation

Homestays – living with local people

Living with a host family in their private home – a homestay - is the best way to experience England at first hand. It will enrich your understanding of the English language, our customs and culture, and provide you with a friendly environment.

We know our homestay hosts

Every host is known to us personally and is visited at least once each year. They understand our students' needs for a relaxing and friendly environment, a clean and comfortable bedroom, good food, and a quiet place for study.

We will select your homestay based on your own needs, such as hosts with or without children and pets, or people who are able to cater to dietary or religious requirements. Our hosts are typical of British and Cambridge society as a whole: of different ages and occupations and from a variety of ethnic and cultural backgrounds. Most importantly, they will give you a warm welcome and provide you with help and support throughout your stay.

Any other student we place at your homestay will not be a native speaker of your language, so that your

only means of communication is English.

Homestays are normally located no more than 30 minutes from school on foot, by bicycle or using the frequent bus services.

Your bedroom

You will have a single room, although double rooms are available for couples. Your clothes will be washed and your bed linen and towels will be changed once per week.

Your meals

Your homestay hosts will provide breakfast and dinner from Monday to Friday and all meals at weekends. Lunch is available in school, at the Studio Café from Monday to Friday. It offers a choice of hot and cold food and vegetarian options. The typical cost of a two-course lunch is £4.00. A sandwich costs around £1.50.

A choice of homestays

There are three types of homestay accommodation:

- Homestay Three Star ★★★
Good, clean accommodation.
- Homestay Four Star ★★★★
As above, but of a particularly high standard, in a larger home or with additional facilities.
- Homestay Five Star ★★★★★
Executive-standard, usually in a large house and typically providing a bathroom for your private use. This accommodation is most suitable for mature students.

Residential accommodation

Self-catering, residential accommodation is available year-round. Please contact us for details.

Student Ages

The minimum age for participation in our Intensive English courses is 16 years.

However, at certain times of the year, we run our Sir George Language and Activity Programme at our main school in Cambridge (see page 35).

If you are aged 19 or more years, your classmates will not be younger than 16 years. If you are aged 16 to 18 years, some classmates may be 14 to 17 years of age.

Welcome to Cambridge - Living in Cambridge

Student life

Your personal well-being and your enjoyment of life outside the classroom are as important as your lessons. We offer:

- The assistance of our Customer Services Department with trained staff and qualified Welfare Officer
- An emergency 24-hour telephone number
- Student Identification card
- Our weekly Activities Programme

The Activities Programme

Our Activities Programme is an important part of student life. It includes at least five activities each week and encourages you to continue to use the English you have learned in class. All activities are included in the fees. There are no additional costs except for food at restaurants, for example.

Excursions

We organise full-day excursions at weekends to Britain's most interesting places: London, Stratford-upon-Avon, Warwick Castle, York, Bath, Salisbury, Stonehenge and more. Two-day excursions are also offered to Scotland, Wales, Belgium, France and the Netherlands.

Visits to the London theatre are a popular evening activity. Excursions and theatre visits have an additional cost.

Travel to the continent of Europe

Cambridge is just 50 kilometres from London's Stansted airport. There are regular, and very inexpensive, flights from Stansted to many major cities throughout Europe.

Choosing the right course

There are five different courses from which to choose. Two are in general English and three in preparation for internationally recognised examinations and qualifications.

Once you are at the school you can, with the approval of our Director of Studies, move from one course to another.

The EFL-20 course (page 11)

This course comprises 20 lessons (15 hours) of teaching each week, and is for students who do not want a more intensive course. It is in general English, with no specialisation.

The EFL-28 course (page 13)

The EFL-28 course comprises 28 lessons (21 hours) of teaching each week and is our most popular programme. The course includes various specialisations (afternoon options) in:

- Language skills
- Special interests
- English for Business
- Academic English
- Reading and writing

Depending on your level, and the length of your course, you can combine these options to ensure that the course meets your personal needs.

Cambridge Examination Course (page 17)

IELTS Examination Course (page 18)

TOEIC Examination Course (page 18)

These courses are also of 28 lessons (21 hours) of teaching each week. They run at specific times during the year. You can combine these courses with the EFL-28 course at no additional cost.

Why do we include social activities in the fees?

You are coming to England to learn, and to speak, English. Therefore, what you do in your free time, after class, is very important. We include five activities each week, at no additional charge, because they will help you to socialise with your friends from class, to make friends from around the world – and to continue to speak English.

The English Course (EFL-20) is in general English, with no specialisation. It consists of 20 lessons each week, typically from 09:15 to 12:45 each day, Monday to Friday. It is ideal for students who do not wish to take a more intensive course, preferring to have their afternoons free.

The content of the course differs according to the level of each class. However, all courses include the study of grammar, speaking and pronunciation, writing skills, and listening and reading comprehension.

Methodology

We adapt our teaching to the needs and learning styles of our students, following three guiding principles:

1. The teaching will be balanced with practice - you will learn and practise English, with an emphasis on speaking;
2. Lessons will be centred around you - you won't spend all your time listening to the teacher but will be busy using English in the classroom;
3. The language we teach will be recycled - we won't allow you to forget what you have learnt.

Each lesson is:

- Clearly focused
- Progressive
- Interactive
- Communicative
- Practical
- Dynamic

Progress Tests

Each week you will be given a progress test to check your learning. As your English improves, you will move to a higher level.

Tutorials

You will have the opportunity for private meetings with your teacher – tutorials – to work on your individual needs and to discuss your progress.

Self-study

In the Learning Centre, you will have access to a wide range of materials, books, CD-ROMs, websites, CDs, cassettes and newspapers to use to improve your English. The Learning Centre has active WIFI – useful if you are bringing your own laptop.

Projected Student Progress – How much will I learn?

How much you will learn, and how long it will take, depends on many factors. These include your present knowledge, how hard you work and your natural ability.

The middle (blue) line follows their average progress, which takes them from the Beginner to the Advanced level in less than a year.

Teaching

The academic content of these programmes is just as carefully structured as our intensive English courses for older students. The teaching concentrates on speaking and listening and, in this way, builds on the English you may have already studied in your home country.

You will be tested on your first day and placed at the appropriate level, from Beginner to Advanced. Your classes will be dynamic, interactive, appropriate for your age and effective. You will be in a class of no more than 16 students and will be taught by a team of two teachers.

You will be required to attend lessons on five days each week, to study hard and to contribute to your classes. We know that you will enjoy yourself, but we also expect you to learn and to improve your English.

Supervision

Studio Cambridge has been a leader in programmes for young learners for more than 40 years. The management of these programmes is the responsibility of a team of administrative, welfare, accommodation and teaching staff who specialise in working with children and young people.

The programme is busy – ensuring that there is always something happening, and always under the supervision of responsible and experienced adults. Our staff-to-students ratio is very high.

Sir Edward

The city of Ely

Ely (pronounced to rhyme with "freely") is a beautiful, peaceful town in the heart of the Cambridgeshire countryside: the ideal setting for children. It is 25 kilometres north of Cambridge and 120 kilometres from London.

Its magnificent cathedral, established in 1083, dominates the city and makes this one of the finest and most unspoilt mediaeval cities in Britain. Many of the mediaeval buildings are part of The King's School's teaching centres and student residences.

The centre of the town has a traditional English 'High Street' with a wide range of shops and a classic market square. Although it is a city, Ely has a population of only 15,000 people and is often described as a 'village'; not surprising when everyone you meet soon becomes a friend.

The King's School

There are few schools in the world that can boast a history like that of The King's School Ely.

The school was founded over 1,000 years ago and King Edward the Confessor, who died in 1066, was educated in the magnificent buildings around Ely Cathedral which are still used by the school today.

The easiest way to describe the feel of The King's School is "think Harry Potter."

The school's facilities are excellent.

- City-centre campus with mediaeval architecture and modern facilities
- High level of safety and security
- Bedrooms on-campus
- Shared bathrooms
- Dining room, with good hot and cold food
- Computers and free e-mail and Internet access
- Activities Office
- Accommodation and Welfare Office
- Sports facilities on-campus include a heated outdoor swimming pool, tennis courts, extensive playing fields, a sports hall and gymnasium.

Good accommodation and food

The on-campus accommodation is traditional, with large, comfortable bedrooms shared by two or more students. Our own staff live on-campus and there is a high staff-to-students ratio. Laundry is washed, and bed linen and towels are changed twice each week.

All meals are served in the magnificent mediaeval dining hall. The food merits special mention: the last official school inspection judged the food to be "exceptional". Meals are nutritious, balanced and appetising. A full English cooked breakfast is available every day and a selection of hot dishes, always with a vegetarian option, in addition to the salad bar, is offered at lunch and supper time every day. Finally, a snack is served at bedtime.

Sir William

The town

Our Sir William programme is held at the Richmond-upon-Thames campus of Richmond the American International University in London.

Richmond-upon-Thames is considered by many people to be the most attractive area of London. It has been a favourite retreat of Royalty, the rich and the famous for hundreds of years.

With its Royal parks and historic houses, the beautiful Thames riverfront, a very high standard of living and a lively town centre, this is the best location for young people in London.

In and around Richmond are several very famous sights including Hampton Court Palace, home of Henry VIII, the Royal Botanic Gardens at Kew, and Twickenham, home of English rugby.

Central London, with all its famous sights, is less than 20 minutes by train or "tube" – London's underground railway.

And getting here is easy. London Heathrow airport is just 20 kilometres away.

The University and local facilities

Richmond, the American International University in London, is an exceptional and very exciting academic institution. It is accredited in both the U.S. and the U.K. and provides an American education in a British setting.

The University was established in 1843. It later became a part of London University and then, in 1971, became the international university that it is today.

The impressive 19th century buildings are set in a beautiful, leafy campus of 2 hectares (5 acres) on the top of Richmond Hill. They contain the Taylor Library, classrooms, computer laboratories with a total of 140 computers with free e-mail and Internet, dining hall, students' common rooms, an auditorium, and administration and faculty offices.

On-campus sports facilities are limited: a basketball and tennis court and a weights-training room.

All the attractions of Richmond and, of course, London itself are within easy reach.

A peaceful setting in the heart of Cambridge

These Terms and Conditions apply both to the student and to his or her parent or guardian if the student is under the age of 18 years (the person who signs the Application Form). The words "you" and "your", therefore, apply to both the student and his or her parent or legal guardian. The text in **black** refers to all students. Text in **blue** refers to students applying for, or taking, our Intensive English Courses. Text in **green** refers to students applying for, or taking, our Language and Activity Programmes.

Your application

This brochure and the Course Fees and Application leaflet supersede all previous versions.

It is our policy to deal with all matters relating to your enrolment in a fair and open manner.

We undertake to offer our courses and services as described in this brochure.

We do not accept responsibility for the provision of any services that are not expressly mentioned in the brochure.

All courses are offered subject to demand.

Where insufficient bookings lead us to cancel any course mentioned in the brochure, we will make every effort to offer you an alternative course.

If we are unable to accept your application for enrolment, we will offer you an alternative course or course start date or will suggest a similar course at a comparable school. If these are not acceptable to you, we will refund all monies paid.

We reserve the right not to accept any application. In the event that your application is declined, all monies received will be refunded in full.

Once your application has been received, and the enrolment confirmed, a binding contract exists between you and Studio Cambridge.

Once a contract exists, all fees are due for the full period of your course. Payments may not be made in instalments.

The person signing the application takes responsibility for paying all required fees.

Fees must be received by Studio Cambridge no less than four weeks before the start of your course. Failure to comply with our payment terms may result in your enrolment being cancelled.

In compliance with British government regulations, the School will not accept cash payments in excess of €15,000 or their equivalent.

We reserve the right not to admit you to a course where the appropriate payment has not been received.

You must pay any bank charges incurred in making the payment to the school. Any change which results in additional charges must be paid for before the change is implemented.

Visas

If you come from a country whose nationals are required to be in possession of a visa to enter the United Kingdom, it is your responsibility to obtain that visa. On receipt of your application, plus the deposit or full fees, we will confirm receipt of the application and a place on the course will be kept open for you. The booking itself will not be confirmed until you inform the School that you are in possession of a visa.

On request, we will give you a letter confirming that your application has been received or a "CAS" (Confirmation of Acceptance for Studies). These can be used to support your application for a visa.

If your application for a visa is unsuccessful, we will refund all monies paid on receipt of a copy of the letter of refusal from the British authorities (British Consulate or Visa Section of a British Embassy). If an appeal process is available to you, we will only make the refund when the appeal has been unsuccessful.

Your course

All students are expected to complete the course in which they have enrolled and to attend all classes. If you fail to do so we may advise the British authorities (the Home Office) of your non-compliance with these conditions.

If you are dissatisfied with a course, or any aspect of the services offered by Studio Cambridge, you must bring that dissatisfaction to the attention of the Principal or Course Director as soon as possible in order that a solution may be found without delay.

Once a complaint has been brought to our attention we will make every effort to resolve the problem within 24 hours.

If you are still not happy with the situation you may ask for the matter to be referred to the Operations Director, who will give a decision within 24 hours.

We will not accept a complaint after the end of the course, if it has not been brought to our attention as explained above.

We expect all our students to be well motivated, polite and considerate towards others, especially their homestay hosts, and to observe such rules as are at the time in force.

We reserve the right to ask any student who does not comply with 25 above to leave the course. In this case, no refund of fees will be made, and any extra costs involved will be the responsibility of the student or his or her parents or sponsor.

We reserve the right to ask any student whose course attendance is unsatisfactory to leave the programme. In this case, no refund of fees will be made.

In the event that a student is required to leave a course, we will inform the appropriate authorities (such as the British Home Office).

By enrolling you on a Studio Cambridge course, your parents/guardians are granting you permission to attend any activities organised by the school.

If your English is at the Beginner level and in the unlikely event that there are no other students at your level, we reserve the right to offer you private lessons in lieu of group lessons until you have reached the appropriate level. There will be no additional charge, but the number of private lessons will be provided at a ratio of 1 private lesson = 3 group lessons.

We do not accept liability for the loss of, or damage to, any person's property while on the School's premises. We do not accept any liability for loss or damage in which our students are involved.

We will hold you liable for any wilful damage you may cause and you will be asked to pay for the cost of repair or replacement.

With a minimum of four weeks' notice and the agreement of the Director of Studies or Principal, students on courses of 20 weeks or longer may take a break in their studies. Such holidays may only be taken if they begin and end on weekends. Accommodation and tuition fees will not be charged during this period. Subject to your hosts' agreement, you may return to, and leave your belongings at, your homestay. In this case, a fee will be charged.

We shall not be liable to you in the event that any service contracted to be supplied becomes impossible to supply because of any circumstances, such as industrial dispute, which are outside our control.

For students taking an Intensive English Course

Cancellation of your application

If we receive cancellation of your course, in writing, more than four weeks before the course starts, you will be responsible for paying just the Registration Fee (£70.00).

If you cancel a course, in writing, and we receive this notification less than four weeks before the course starts, you will be responsible for paying the Registration Fee and Deposit (a total of £300.00).

If we do not receive your cancellation in writing, or do so after the course in which you are enrolled has started, your cancellation will be treated as "termination" of the course. The conditions pertaining to termination are given below.

If you apply for a visa and your application is unsuccessful, we will refund all monies paid as described in these Conditions

Termination of your course or accommodation

If you wish to withdraw from your course (the lessons) once it has started, you must give four weeks' written notice or make payment of Tuition fees in lieu of notice. A refund will then be made of 50% of the Tuition fees for the unused portion of the course in excess of the four weeks' notice period.

If you wish to withdraw from your accommodation it will be kept available, and must be paid, until the Saturday of the week after you give us notice. A refund will then be made of 100% of the Accommodation fees remaining from that Saturday onward.

Please note: the insurance policy (included in the fees) covers you for cancellation or withdrawal from a course due to illness or other compelling reasons. If you are eligible for a refund under the provisions of this insurance, no further refund will be made by the School. Details of the insurance are available from Studio Cambridge.

For students taking a Language and Activity Programme

Cancellation of your application

If we receive cancellation of your course, in writing, more than four weeks before the course starts, you will be responsible for paying just the deposit (£300.00).

If you cancel your course less than four weeks before the course starts, or if you fail to cancel, you will be responsible for paying the full fees for your course.

If you apply for a visa and your application is unsuccessful, we will refund all monies paid as described in these Conditions

Termination of your course

No refunds will be made for early withdrawal from a course.

Please note: the insurance policy (included in the fees) covers you for cancellation or withdrawal from a course due to illness or other compelling reasons. If you are eligible for a refund under this insurance, no further refund will be made by the School. Details of the insurance are available from Studio Cambridge

Refunds

Refunds will be made only to the person (such as a parent) or organisation (such as a Studio Cambridge agent) from whom we received the fees. Refunds can only be made to you if you originally paid the fees directly to Studio Cambridge yourself. All refunds will be made to the original payer's bank account or credit card and will not be made in cash.

Refunds will not be given for any part of the programme (such as an excursion) missed because of your arrival, departure or other travel arrangements.

All refunds will be made in £ Sterling or € Euros, at the discretion of the school. Any bank or other charges payable will be deducted from the money refunded to you.

Any refunds made will be based on the published fees for the length of the course taken.

Your agreement to these terms and conditions

By signing the application form, you or your parents/guardians, authorise Studio Cambridge to take appropriate action in the case of a medical emergency and acknowledge that the person signing the application form is responsible for paying all costs incurred. You or your parents/guardians also grant permission to any medical practitioner to examine you, treat you and to make referrals as required. You or your parents/guardians also grant permission for Studio Cambridge to include you in photographic images (whether still or moving) of the school and to use the images for the promotion of the school in brochures and on the web site. Signing the application form implies your understanding and acceptance of these Terms and Conditions, and of the information contained in the brochure, and the Fees and Application form.
