# *Find your language*

It doesn't matter whether you are studying English, Chinese, Spanish or French: in the future you will always be able to find the right words, to chat with your friends, to advance your career or to study successfully. Find the language you need to help you to express yourself, to understand others and very importantly to be understood. Find your language and keep discovering new areas. Because to find one's language means to find your way. Which language would you like to learn?

## Where the world meets

To study at a Eurocentres school means meeting, learning from, spending one's leisure time and communicating with people from over 90 countries. Asian, European, Latin American and Middle Eastern students each account for a quarter of the composition. The exact proportion may vary from school to school and from season to season. You can find the breakdown of students per school on the relevant country page.

## How it really is

The majority of the pictures in this brochure were taken by Eurocentres course participants. They show the Eurocentres experience.

On [www.eurocentres.com](http://www.eurocentres.com) and [www.eurocentres-friends.com](http://www.eurocentres-friends.com) you'll find tips, more pictures and videos from Eurocentres students.

# *The best for your future*

—

Learning a language is a major investment in your future. Eurocentres therefore takes great care in selecting your teachers and host family and uses innovative, personalised teaching methods. Quality is of paramount importance to us. We therefore obtain accreditation for our schools from well-known quality organisations and we are proud that Eurocentres schools always obtain excellent results in external quality inspections.

## Convincing learning progress

Learning styles and interests differ from one course participant to the next. Eurocentres therefore attaches great importance to assessing your initial language skills and goals. We will discuss these with you prior to booking, on arrival at the school and during the course, and they form the basis of your individual learning programme and allocation to a particular class. During your stay, your teacher will regularly meet with you to discuss your learning progress to ensure that you will quickly and confidently achieve your learning goals.

# *Eurocentres Success System*

The innovative EUROCENTRES SUCCESS SYSTEM\* has been developed over the last 60 years. Eurocentres is the leader in the field of foreign language tuition and is frequently consulted by the Council of Europe in matters relating to this area. Eurocentres focuses at all times on language learning success. Our longstanding experience has shown that the greatest learning progress is made when students are individually supported and are aware of their strengths and weaknesses at all times. In today's heavily specialised world of business we recognise that it is also important that you can focus on your specific needs.

## Personalisation

All Eurocentres students receive very individual attention, including:

- A personal interview as part of the assessment on arrival
- Personal feedback on the test and recommendations for self-study
- Clear learning goals, discussed with you each week
- Small class sizes (Premium courses have 8 and other courses up to 14 students)
- Continuous monitoring of learning progress and diagnostic feedback
- One-to-one tutorials every two weeks
- Weekly quiz and revision lessons
- Two lessons per week spent in the Study Club of the Learning Centre
- Final certificate with accurate description of your language competence

The above services are offered to all students. Students selecting our Premium courses or one-to-one tuition receive additional benefits.

We know that in order to make good progress you have to feel comfortable, settled and happy with our service. So we make the following checks:

- During the first week, your teacher checks with you personally
- At the end of the first week you receive a questionnaire about all aspects of your stay
- At the end of the course you receive a detailed questionnaire

## Specialisation

During the Core Programme (20 lessons per week) you focus on improving your general language proficiency (grammar, vocabulary, listening, reading, writing, speaking). To help you plan specifically for your future, you can also choose specialised subjects (such as business English/French, preparation for examinations).

\* Please note that the EUROCENTRES SUCCESS SYSTEM is taught in Eurocentres schools only. Partner schools offer a different programme.

# *Perfect accommodation*

---

Our aim is to make you feel truly at home in your host country. That's why Eurocentres gives you a choice of first-class accommodation. Whether you choose to stay in a homestay, a student residence, a hotel or guesthouse, you can be sure that the high quality standards set by Eurocentres will always be maintained. Choose the type of accommodation that best suits your needs.

## Homestay

Living in a homestay is an experience that most Eurocentres students opt for. It means that you will get to know about everyday life and the culture in your host's country first hand, and will also have the opportunity to use your newly-acquired language skills with them.

You'll have a room of your own, practically furnished to a good local standard. Some of our schools can also offer you the choice of a private room with your own bathroom. For your meals, you can choose between half-board (breakfast and hot evening meal) full-board or just breakfast. If you have any special requirements, such as a vegetarian diet, please let us know on the registration form. We will make every possible effort to comply with your wishes when arranging your accommodation.

Our homestay accommodation—families with and without children, older couples and single people—is carefully selected and regularly inspected by our local staff, following clearly defined quality standards. We have been working with most of our hosts for many years now, and all are experienced in looking after guests in their own homes.

## Student residence

In a student residence, the emphasis is on contact between students from all over the world and you'll soon be making friends and spending time together. You'll be living in a single room, and be responsible for your own meals. In some residences, there are university restaurant facilities nearby, where you can eat at a reasonable price. In others, there are communal kitchens that you can use to prepare your own meals, although not all of them are equipped with crockery, pots and pans.

## Hotel or apartment

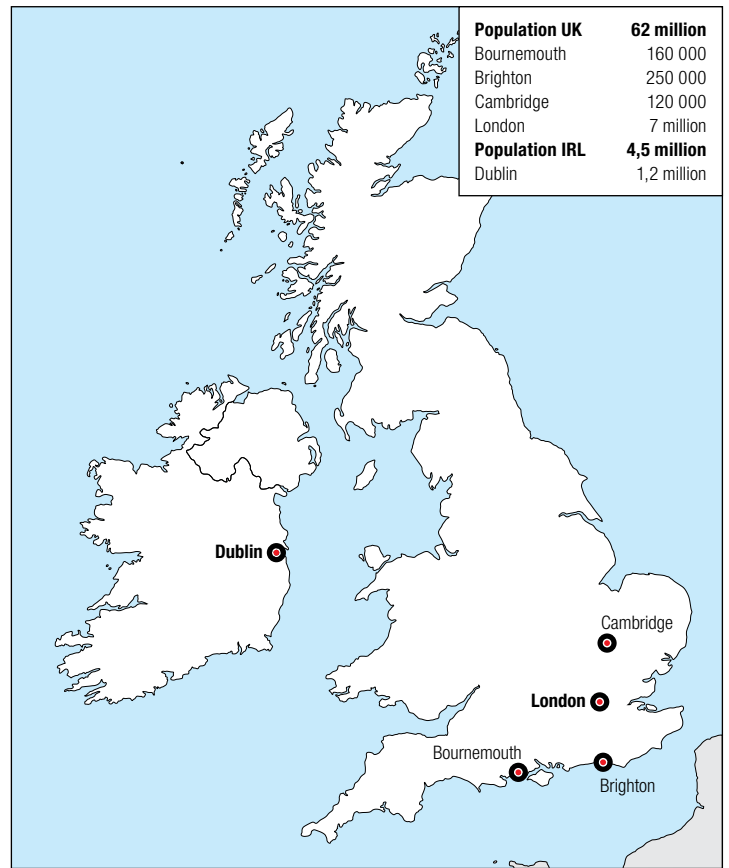

Most of the apartments are basic, inexpensive studios with a bedroom and living room, plus a kitchenette. The range of apartments varies from place to place. We are also happy to arrange accommodation for you in a hotel or guesthouse. We work with well-located two-, three- or four-star hotels, which offer Eurocentres students attractive rates.

Universities with a rich tradition offer the most up-to-date education. Eurocentres was among the first language schools to open their doors in the British Isles more than 60 years ago. Consequently the schools are all in prime locations.

*I have had a very nice interesting experience here in Eurocentres London. The level of teachers is very good and they are always available if we have questions. The atmosphere in the school is friendly. My host family was marvellous and I think it's the best form of accommodation also because we can practice our speaking and listening. In conclusion, I have had one of the most interesting experience in my life.*

# New Zealand

New Zealand is known for its fantastic natural, unspoilt scenery and the “great outdoors” with spectacular mountains, forests and beaches. But it offers more than just this—New Zealand is known for its film, fashion, food and wine industries too. New Zealand, and Auckland in particular, is a multicultural destination—not only rich in Maori and European cultures but also Polynesian and Asian influences as well.

**Kunihiko Gomikawa, Japan**  
*I am taking a general English course in Eurocentres and I am really enjoying the class. The teachers are very kind and friendly. Eurocentres has a lot of activities and nationalities. When I had my trial lesson here at Eurocentres, I had a great experience. I hope Eurocentres stays open forever.*

Auckland Harbour

## Auckland

The “City of Sails” is a mecca for water sports and the cultural centre of New Zealand. With its 3 harbours, 50 islands, sandy beaches, and a warm coastal climate, Auckland has it all—cafes and restaurants, theatre and nightlife, walking and mountain bike tracks through the bush covered hills, extinct volcanoes and trips to the islands.

Carla Fernandez, Costa Rica *Studying at the MSU-East Lansing has been an amazing experience. Teachers are excellent! Through the best techniques and a lot of enthusiasm, they help you to improve your English skills. Many off-campus activities and trips involve you into the real American culture; you are in a multicultural environment where you can make friends with people of many parts of the world. And yes, winters in Michigan are cold, but the dedication of ELC faculty and staff, make them warmer.*

# South Africa

South Africa's fantastic beaches are a mecca for surfers and water-sports enthusiasts, while its rugged, mountainous interior offers thrill-seekers a variety of adventure activities. Naturally, no visit would be complete without travelling to one of the country's 18 National Parks, where one can expect fascinating encounters with the "Big Five"—elephant, rhino, lion, buffalo and leopard. During the winter months, whale-watching is a firm favourite with locals and visitors alike.

Angela Ramirez, Colombia  
*I chose Cape Town because it is such a multicultural city with a lot of kinds of events and activities to join to. Eurocentres has been my home here where I have been learning not only a language but also making friends from around the world and discovering this magic corner of Africa. The people at school have always a smile for you. To teach you, to help you, to support you. You are you, not a number. I'm very glad about this unforgettable experience with them.*

# Malta

Somewhere in the deep blue waters between North Africa and Sicily lies Malta with its medieval, renaissance and baroque architecture. Malta consists of three incredibly small islands of 314 km<sup>2</sup>, and the population of just over 400 000 live happily in the sunny blue Mediterranean. Malta experiences a temperate winter climate where the sun shines practically every day. In summer the inviting seas cool you down from the hot summer sun.

Ladina Fontana, Switzerland  
*I am very satisfied with the English language course, both group and individual lessons. On my arrival I could hardly say a word in English and now I've already improved a lot. Tiziana and the staff were always very friendly and ready to help me in all difficulties and queries. I'm also very pleased to say that my stay at the Hibernia residence has been really pleasant and enjoyable. I can only recommend N.S.T.S. Eli to others.*

# Switzerland

Riding on a snowboard down to the centre of a cosmopolitan city? That's almost possible in Switzerland because here you find everything you could possibly want: the highest mountain peaks and the best snow in Europe, international cosmopolitan cities, lovely waterscapes, world-famous museums, medieval towns—and all within easy reach. Another plus is the excellent public transport service and the fantastic food.

Sean Lees, Australia  
*Lausanne is a wonderful place to study because it's big enough to have all the culture, nightlife and attractions of a big city but it's so easy to get around and the city has a village atmosphere. My experience at Eurocentres has been positive because the classes are small, my classmates have the same level as I do and the teachers are friendly and professional. I've made a lot of progress here!*

# Spain

Spanish is one of the most widely spoken languages and Spain is the ideal country to learn it in. For in Spain, the sound of rolling waves and dance music combine with contemporary architecture and centuries-old Moorish buildings, siestas and modern business life to form a unique, vibrating blend. Lovers of Mediterranean joie de vivre, modern design and a rich cultural heritage, will love life in Eurocentres schools in Barcelona, Valencia or Marbella.

Plaza Real, Barcelona

## Barcelona

Amazing city, with a cosmopolitan atmosphere. It offers a unique combination of the sea, city life, a young and vibrant culture, fine cuisine and Gaudi's architecture (e.g. the Sagrada Familia). ## Marbella

White-washed houses, narrow streets, plazas draped in flowers, and Mediterranean beaches plus 300 days of sunshine a year. Modern Marbella with its golf courses, shopping centres and vibrant nightlife still has the influence of the three cultures who have lived here through the ages (Arabs, Jews and Christians).

Antonio Gitahy, Brazil  
*My stay at Eurocentres has been lovely. The best thing were the teachers, always in the best moods. That leads to lots of fun in class and they also dedicate as much time as possible to promote this, to take care of the lessons and the students. I have been lovely welcomed. I met there the most of my friends. I loved my stay in Barcelona and a large part of it is thanks to Eurocentres.*

Italy has always been a nation of architects, artists, designers and lovers of the good things in life. Elegant buildings, wonderful squares and world-famous paintings, produced over centuries, play an important role in every-day Italian life. Eurocentres is located in Florence, which is often described as an open air art gallery, home to numerous world famous artistic masterpieces and monuments.

Celine Soubaine, France  
*These three months have been an incredible experience! When I arrived at school I was a bit stressed but when I began studying at school I quickly felt at ease. I have learnt a lot in these three months, both in terms of the Italian language and the culture. All the staff at school are very professional and have helped me a lot. One thing is certain, if I should return to Florence to study I would definitely come to Eurocentres again. Thank you to everyone.*

First and family name must be entered as shown in the respective travel documents (passport or identity card). On confirmation of the registration by Eurocentres (Foundation for Language and Educational Centres, Seestrasse 247, CH-8038 Zurich, Switzerland), the contract shall be deemed to have been concluded, and the registration shall be binding. The course participant shall be deemed to be a Eurocentres contracting party, provided he or she is 18 years old or more. In the case of course participants who have not reached the age of 18, the contracting party shall be deemed to be the parent or guardian of the course participant. The registration application must be signed by this person, who must also give his or her exact address. This shall also apply when the age of consent is not 18 years in the country where the language course is taking place, or in which the course participant or his or her parent or guardian is resident. Special regulations apply for participants under 18 years attending courses in Australia. Before enrolling, please ask your Eurocentres adviser for a copy of the "Supplementary Information concerning Australia", and/or consult [www.eurocentres.com](http://www.eurocentres.com). The course participant shall be defined as the person who takes part, or intends to take part, in the language course that is the object of this contract.

## **Clause 2 Information provided on registration**

The course participant/contracting party hereby expressly confirms that the information provided at the time of registration for the language course shall correspond to the truth, and accepts that he or she may be expelled forthwith from the language course at any time should said information prove to be a misrepresentation (e.g. beginners who select a start date on which no beginners' courses are available). In such an event the course fees shall not be refunded in any way, not even on a pro-rata basis. Potential participants who are unsure of their language level should tell their Eurocentres adviser that they wish to take the Eurocentres Pathfinder test (also available on [www.eurocentres.com](http://www.eurocentres.com)).

## **Clause 3 Terms and conditions of payment**

Upon receipt of the travel confirmation, a 10 % down payment of the travel cost, up to however a maximum of EUR 265 per participant, as well as the premiums for the combined ELVIA travel insurance and the ELVIA Security Package become due. The remaining course and respective accommodation fees are due six weeks prior to starting the course. Payment for all performances shall be due immediately in cases where registration is made less than six weeks prior to the start of the course. When paying by credit card, the down payment will be charged to your card 10 days after dispatch of the confirmation and the remaining payment six weeks prior to the start of the course. The fees shall be deemed as effectively paid only once they have been paid into the account specified by Eurocentres in the confirmation of registration.

## **Clause 4 Delay in payment**

Should payment not be effected by the aforementioned date, the contracting party shall be deemed to be in default. In such an event Eurocentres shall not be obliged to admit the course participant to the language course. The existence of a claim on the part of Eurocentres shall remain unaffected by the above. Eurocentres may claim damages in accordance with clause 10.

## **Clause 5 Proof of payment**

At the start of the course the course participant shall provide proof of payment of the course fees and, where applicable, of the accommodation and other fees. Should the course participant be unable to present such proof, he or she shall not be admitted to the classes or to the accommodation. In such an event Eurocentres' claims shall remain unaffected.

## **Clause 6 Enrolment fee**

An enrolment fee of EUR 100 shall be charged for all arrangements and shall not under any circumstances be refundable.

## **Clause 7 Change fee**

If you request a change of school, date (course, accommodation etc.) or type of accommodation before or after commencing the course, this has to be agreed by Eurocentres. If Eurocentres is able to confirm the change, you will be charged a change fee of EUR 75. The change fee for the language year/semester is EUR 200 and is payable when the confirmation is received. You will not be charged this fee if you choose to extend your course prior to commencement of the course. If we receive your change of booking less than 14 days before the course is due to begin or after the course has started, other costs may be incurred in addition to the booking change fee (e.g. for accommodation) which we will have to pass on to you. Any extension of a course, once the course has begun, will be treated as a new enrolment. In case of specialised courses of more than 4 weeks, the specialisation can also be changed during the course. However, only one change can be made every four weeks. A change fee will be charged, should you change your specialisation before this time. The school must in any case agree to a change.

## **Clause 8 Passport and visa requirements**

Many countries have passport and visa requirements. Please familiarise yourself about such regulations and take the necessary measures. More information about visas can be found on page 80 and on [www.eurocentres.com](http://www.eurocentres.com).

## **Clause 9 Obligations of the course participant**

The course participant shall be responsible for choosing a language course that corresponds to his or her abilities. The course participant undertakes to attend the course personally, to arrive punctually and to take part in lessons. Should the irregular attendance or other behaviour of the participant lead to a disturbance of the language course for other participants, Eurocentres reserves the right to expel the participant from the course. In such an event the course fees shall not be refunded in any way, not even on a pro-rata basis.

**Clause 10 Withdrawal prior to the start of the course**

The contracting party may send written notification of withdrawal prior to the start of the course, without any statement of reasons. If such written notification is received by Eurocentres 14 days before commencement of the course, all payments already made to Eurocentres in connection with the present contract shall be refunded to the contracting party, with the exception of the enrolment fee and the ELVIA insurance premiums. If written notification is received by Eurocentres less than 14 days, but in any case by not later than 5 p.m. (CET) on the last Friday before the commencement of the course, an invoice shall be issued for the registration fee, the ELVIA insurance premiums, school fees for one week and accommodation fees for one week, if applicable. The reimbursements will be made within 4 weeks after receipt of the withdrawal. For student residences, hotels and apartments the respective General Terms and Conditions of the third parties providing such accommodation apply. Special regulations apply with respect to withdrawals by participants studying in Australia on a student visa. Before enrolling, please ask your Eurocentres adviser for a copy (“Supplementary Information concerning Australia”. The information can be found on [www.eurocentres.com](http://www.eurocentres.com).) The time of receipt of the notification of withdrawal by Eurocentres shall be decisive for determining the date of withdrawal. If the notification arrives on a Saturday, Sunday or a general public holiday in Zurich, the next working day shall be the decisive day.

**Clause 11 No-show or withdrawal from the language course, failure to take up individual parts thereof**

Should the course participant fail to show up for the language course, withdraw from the course, or not take up individual parts thereof, such as individual lessons, he or she shall not be entitled to claim any reimbursement. Special regulations apply with respect to withdrawals by participants studying in Australia on a student visa. Before enrolling, please ask your Eurocentres adviser for a copy of the “Supplementary Information concerning Australia”, and/or consult this on [www.eurocentres.com](http://www.eurocentres.com).

**Clause 12 Cancellation and/or change of the accommodation after course start**

Accommodation may be terminated or changed, subject to two weeks’ notice to end on a Saturday. Notice of termination shall be sent in writing to Eurocentres exclusively. A change fee of EUR 75 will be charged. Should the course participant leave the accommodation before the end of the period of notice, the full price for the accommodation up to the end of the cancellation period remains payable.

**Clause 13 Complaints and liability**

The course participant shall make complaints without delay to the local school secretariat or to Eurocentres in Zurich. (Any complaint concerning services provided by a third party should be addressed to the third party.) If Eurocentres is not able to remedy the situation within a reasonable period, the course participant may take steps to remedy the situation him or herself, and Eurocentres shall refund the cost, against receipts, in so far as legal and contractual liability requires. This procedure does not restrict the participant’s right to pursue other legal remedies. Any requests for refund shall be made by registered letter to Zurich within four weeks of the agreed termination of the course. After this period, all types of claims under any legal title shall no longer apply and be forfeited.

Eurocentres shall be liable for its own performances in accordance with these General Terms and Conditions and statutory regulations but not in case of ordinary negligence; for package deals, liability in case of claims other than for personal injury shall be limited to twice the package price. Liability is limited to the immediate damage. Eurocentres shall not be liable for the loss, destruction, etc. or misuse of valuables, cameras and video cameras, etc., mobile phones, credit cards, cash, etc. Eurocentres shall also not be liable for lost holiday time, experienced frustration, etc.—Eurocentres shall not be liable in the case of poor or non-performance of services provided by a third party. For any non-contractual liability the statutory regulations shall apply, with any liability limitations and exclusions of these General Terms and Conditions of Business having priority over statutory regulations.

Eurocentres strongly recommends you take out the combined ELVIA travel insurance (covering withdrawal and return travel costs). If you do not wish to take up this insurance cover, please indicate this on the registration form. Eurocentres also recommends that you take out the ELVIA Security Package cover (luggage and medical costs insurance) and third party indemnity insurance. Insurance premiums are not included in the course fees, shall be invoiced separately and are not refundable.

Where the minimum number of 6 students required for each language course has not been reached, Eurocentres shall inform the participant/contractual partner at least three weeks before the start of the course. (Premium courses will be available regardless of the number of participants). Where Eurocentres is unable to offer the participant/contractual partner an alternative language course, Eurocentres shall reimburse any paid fees. The contractual partner shall not be entitled to make any claims for having been inconvenienced or for other damages. In exceptional cases, Eurocentres may also run courses with less than 6 participants.

**Clause 16 Changes to prices, dates or programmes**

Provided that no confirmation of registration has been issued, Eurocentres shall have the right at any time to change the dates and prices published in the course schedule, on the Internet or elsewhere. On conclusion of the contract, Eurocentres may amend the published programme of services, provided such amendments are unavoidable and negligible, and are made in good faith and do not affect the overall style of the course. If material changes are made to key services, the contracting party shall have the right to withdraw from the contract or to request to join an equivalent language course, where Eurocentres is able to offer him or her such a course. Eurocentres shall immediately notify the contracting party of any such amendment. The contracting party must exercise his or her rights immediately after receipt of such notification from Eurocentres.

Eurocentres shall be entitled to increase its prices after signing of the agreement and up to three weeks before the start of the course for the following reasons: increases in cost of transportation, increases in charges for certain services, fluctuation in exchange rate, official price increases, introduction or increased official charges. In case of such an increase, the price can be adapted and increased accordingly. In case of price increases of over 10 %, the contractual partner shall have the same rights as in case of a considerable change of one of the key performances.

Any changes to the program or performances during the language course due to unforeseeable or unpreventable reasons are permissible, provided the overall content of the program remains unchanged.— Eurocentres retains the absolute right to assign or re-assign participants to classes in accordance with their language skills or to implement any other measures required for the correct operation of the school.

"Student Visitor Visa Route" (Course duration of 6 months or less for non EU/EEA-nationals): Non-EU/EEA visa-nationals who are over 18 and wish to come to the UK, must obtain a visa and Entry Clearance as a "Student Visitor" prior to arrival. This can be obtained from a British diplomatic mission overseas. At the point of entry they might also be required to show the school's confirmation letter, proof of payment of tuition fees, the accommodation address, their return flight ticket and to prove with formal financial statements that they can support themselves during their stay. For some countries a health certificate might be needed. Non-visa nationals can obtain leave (permission) to enter as a "Student Visitor" on arrival in the UK. Students under the age of 18 should apply for Entry Clearance as a "Child Visitor". Note: Students entering the UK on a "Student Visitor" or "Child Visitor" visa will not be able to work or extend their course.
