

English for the Oil & Gas Industries

UK courses | Overseas projects

“ I had a very enjoyable stay and the school exceeded my expectations. The course for Engineers was very well designed and the teacher was very well prepared. ”

Marta Karlsdóttir, Iceland

The London School of English Group is a leading provider of specialist English language training. Established in 1912, we are the world's oldest accredited English language school.

We can deliver tailor-made programmes in the UK or in your country

We offer a comprehensive range of training solutions to meet the needs of Oil and Gas sector clients and professionals worldwide.

Each year over 2,000 people from more than 70 countries attend our courses in the UK.

Internationally, we have delivered courses and projects in a wide variety of countries in Europe, Asia, the Middle East and Africa.

We offer highly practical training with immediately usable results.

Individual Tuition

Personalised English language training

1:1 tuition varies greatly:

Some clients may want to concentrate on **subject matter**. For example: exploration and drilling; Health, Safety & Environment (HSE); corporate planning; marketing petrochemical products; trading and shipping.

Others may need to concentrate on **specific skills** – for example project management, making presentations or negotiating contracts.

Other may want to focus on particular **language areas** – for example listening, oral fluency, pronunciation or grammar.

You can take a course of Individual Tuition at any time to suit you, including evenings and weekends.

Many of our business-related courses can be taken as a **Combination Course** – half day group, half day 1-1. Look for this symbol ▶
